BUSINESS CHANGE

MRS. H. V. FINDLEY PURCHASES CONFECTIONERY BUSINESS OF W. E. PELLEY

The confectionery business of W. E. Pelley has been purchased by Mrs. H. V. Findley of this city and will be continued under the same name and the same policy. Mrs. Findley is a fine business woman and Mr. Pelley is confident she will be very successful. Inflammatory rheumatism has made it necessary for Mr. Pelley to make a change, and as Mrs. Pelley's health has not been good for some time, they decided to dispose of the business, although it is well established and highly profitable according to Mr. Pelley.

In this connection Mr. Pelley explained that the strictures of the government in regard to the use of sugar have by no means crippled candy makers, who for some time have been employing corn syrup and molasses to a considerable extent in the manufacture of sweets. Processes have had to accommodate themselves to changed conditions and in some instances have proved a betterment. For example, the "chews" as made formerly consisted of two-thirds sugar to one third corn syrup. The proportions have now been reversed and the chews are better than under the old recipe.

The government permits confectioners to use 80 per cent of their normal sugar requirements, and with the corn syrup to help out they are able to turn out their customary quantity of confectionery, especially as other products have been utilized to pad out the stock, such as nuts, raisins, etc.

Animal gelatines are now beyond the reach of candy makers because they are needed for war purposes, but substitutes have been employed very satisfactorily, of which fruit jellies and corn starch form the basis. The old-fashioned gum drop is no more, but the jelly drop has taken its place.

Mr. and Mrs. Pelley have acquired a cottage at Hermosa Beach and expect to spend a part of the summer there. They intend to rest and take life easy until both are restored to their normal health. They expect to miss the candy business but will not be able to take it up until after the war ends because, Mr. Pelley says, the government is not permitting the establishment of any new candy factories.

Mrs. Findley will formally take possession of the business the first of July and in the meantime will be acquainting herself with its various details. She will employ an experienced candy maker and should experience no difficulty in maintaining the high standard which has been established by Mr. Pelley.

MAGAZINES WANTED

Charles W. Stewart, the Y. M. C. A. secretary at the new balloon camp, is now dong what he can for the boys who are already stationed at Camp Arcadia, and asks that magazines and books be given for the camp. The boys like especially the National Geographic, Scientific American, Literary Digest and similar periodicals, as well as the more popular ones.

WAR WEDDING

ELVA BRITOMARTE SPENCER BECOMES BRIDE OF LIEUTENANT JAMES H. WITTMEYER

This morning (Wednesday) at 7 o'clock, a ceremony of great interest and importance took place at the home of Mr. and Mrs. Olin Spencer, 1537 West Broadway, when their daughter, Elva Britomarte Spencer, was united in marriage to Lieutenant James H. Wittmeyer, who is a member of the Headquarters Company of the 157th Regiment, U. S. Infantry, stationed at Camp Kearny. These young people have been sweethearts ever since their childhood days in Montrose, Colorado, when he escorted her to and from school and carried her books. In conformity to the wishes of the contracting parties, it was a very quiet war wedding, with the family of the bride the only witnesses. As soon as the knot had been securely tied by Rev. James O'Neill, the officiating priest, and farewells spoken, the young people left for an auto run to Big Bear Lake in the San Bernardino mountains, where they will spend the brief furlough granted Lieutenant Wittmeyer, who expects soon to be called to the battle front. During his absence Mrs. Wittmeyer will make her home with Mr. and Mrs. Spencer in this city.

WEATHER FORECAST—Fair tonight. Cloudy along the coast. Light westerly winds.

LIGHT PLANT ELECTION

GLENDALE GATEWAY VOTE OVERWHELMINGLY FAVORS PURCHASE

The election which took place in the "Glendale Gateway" district Tuesday to vote on the acquirement of the electric lighting system which has been serving that section, was a very quiet affair. The voting strength of the district is about 900. Only 255 votes were cast and of those 250 favored the purchase, five were opposed. Such a preponderance of sentiment for the acquirement of the system, as expressed at the ballot box, settles the matter beyond any question. The purchase can not be consummated, however, until certain preliminaries have cleared the way. These will include the securing of permission from the Railroad Commission, and after that the sale of the bonds. The purchase of the water system of the same district, which was recently effected, was an easy proposition because the owners were willing to take the bonds in payment. Should the Southern California Edison Company be willing to take the bonds of the district in payment for their system, the transfer of ownership would be equally simple. Should they be unwilling to do so, other purchasers for the bonds would have to be found and that might not be immediately possible, in the opinion of City Clerk Sherer, under the war conditions which prevail at this time. Under the best conditions the consummation of the sale can hardly be effected in less time than two months from the date of the election.

NEW JERSEY PEOPLE ANNOUNCE PICNIC

Here is an open invitation for all the people of Southern California who ever lived in New Jersey to attend a jolly all-day picnic reunion in Sycamore Grove Park, Los Angeles, Saturday, June 15th, 1918. There will be County headquarters where you can meet friends, basket dinners at noon, coffee provided, and a program opening about two o'clock with songs and addresses. Each one who reads this notice is asked to pass it on to all the New Jersey folks possible. Take a day off and have a regular family reunion and good time, for this is the main object of our picnic. Honor the old home state with a patriotic remembrance rally.

Tourists and visitors will be warmly welcomed.

BIGGEST MAN IN THE NAVY

Dan Hagin, a graduate of Union High School, son of Mrs. Myrtle Hagin, a returned missionary, is winning distinction in naval circles in the east. After his graduation here, he and his sister Fannie went east to Evanston, Illinois, where they entered the Northwestern University, but he is now in the service of Uncle Sam and is called the biggest man in the U. S. Navy and credited with a height of 6 feet 7 inches. He was a big fellow when here, but his friends did not think he was as tall as that. He is now in the Naval Training School of the Great Lakes. He and his mother and sister have many friends here, and he is described as a fine student.

TOURNAMENT GAMES

The bowling contest which took place last Friday evening between the team of the Glendale Elks and the team of the Pasadena Lodge resulted in a score which gave Glendale 2, Pasadena 1. Owing to the great crowd, which interfered somewhat with the play, the bowling was not up to par, but our boys promise to do better in the future. They are to go to Anaheim on Thursday to bowl against the Anaheim five and the following week the Santa Monica Lodge team will come to Glendale to play our team. In future, scores will be published in the Glendale Evening News.

KNIGHTS OF COLUMBUS

At the meeting last Wednesday evening to take preliminary steps for the organization of a Knights of Columbus Chapter in Glendale, which was held at the parish house on Lomita avenue, H. M. Doll of 877 South Louise acted as chairman. Fifty-nine signed up for membership and it is expected that as many more will be enrolled, as the territory which the chapter will cover will include in addition to Glendale, Eagle Rock, Burbank and San Fernando. Application for a charter will be forwarded to the Grand Lodge and it will take some time before the organization can be perfected here. Another meeting is to be held tonight at the parish house.

TELLS OF CAROLINA'S SINKING

TWO HUNDRED FIFTY SURVIVORS OF LINER ARRIVE IN NEW YORK AND ARE RUSHED TO HOSPITALS

(Special Service to Glendale Evening News)

NEW YORK, June 5.—The schooner Eva Douglas arrived here this morning with 250 survivors of the Carolina. On her arrival the survivors were rushed to hospitals by the Red Cross. All had spent the night in open boats. All aboard the Carolina have been accounted for except sixteen who were lost when the motor launch in which they were seeking safety wallowed and sunk in a storm, and eleven others whose names have not been checked.

According to a wireless operator on the Carolina a submarine began to shell the vessel and fired every time the wireless sounded. To prevent the wounding of women and children the captain ordered the operator not to give the Brooklyn navy yard the Carolina's position. It took fifteen minutes to launch all the lifeboats, the Germans watching leisurely. Then the Germans bombed the Carolina and while this was being done the occupants of the lifeboats sang "The Star-Spangled Banner."

SITUATION IMPROVED ON MARNE FRONT

AMERICAN RESERVES PROVED GOOD FIGHTERS IN HURLING BACK GERMAN ADVANCE

(Special Service to Glendale Evening News)

PARIS, June 5.—American intervention on the Marne battle front was highly efficient. Their repulse of the enemy at Potevierre wood has proved that the reserves are first class fighters. Although the momentum of the German advance has been stopped, the battle has not fully developed. It is expected that both sides will throw fresh troops into the struggle.

The situation is better. The enemy has not been able to progress between the Oise and Aisne nor between the Ourcq and Marne, where they were trying to reach the Maux. Before the Germans continue toward Paris they must capture the Villiers-Coterete forest near Soissons. Despite reinforcements they were unable to do this in the three days' battle. There is every reason to believe that the allied blockade of the Paris road is permanent.

DESTROY MINES IN DELAWARE BAY

MINE SWEEPERS ARE COMBING APPROACHES TO AMERICAN PORTS IN SEARCH OF ENEMY EXPLOSIVES

(Special Service to Glendale Evening News)

LEWES, Delaware, June 5.—A perfectly laid mine at the mouth of Delaware Bay was torn to pieces by American mine sweepers in an unusually short time. Naval scouts exploded two of the mines planted by submarines at the entrance to the port of Philadelphia and brought eight others into the naval station here. The sweepers are still out carefully combing the bay.

GERMANS CHECKED AT MARNE

AMERICAN ENGINEERS ADVANCE TO CENTER OF MARNE BRIDGE UNDER FIRE AND DYNAMITE STRUCTURE

(Special Service to Glendale Evening News)

ON THE FRENCH FRONT, June 5.—American machine gunners killed at least a thousand Germans at Chateau-Thierry, French officials estimate. Yankee gunfire violently swept the town, battling until the streets were full of German dead.

After unusually severe fighting in which the Germans crossed the Marne at Joulgonne a few days before, American troops were rushed from a distant front in trucks, planted their machine guns and supported American and French infantry while American engineers despite violent German shell fire advanced to the center of the bridge over the Marne and dynamited it. The Germans have been completely checked on the Marne battlefield, the allies holding the entire front between Noyon and Chateau-Thierry. The Germans have abandoned serious attempts to advance elsewhere. Further progress is unlikely unless all their reserves are thrown into the battle.

WILSON INTERVENES FOR MOONEY

WIRES GOVERNOR STEPHENS URGING EXECUTIVE CLEMENCY IN MURDER CASE

(Special Service to Glendale Evening News)

WASHINGTON, June 5.—President Wilson has again moved in behalf of Thomas Mooney, just resentenced to hang on charge of complicity in the San Francisco Preparedness Day dynamiting. He has telegraphed to Governor Stephens urging executive clemency.

SACRAMENTO, June 5.—Governor Stephens stated today that he had received President Wilson's telegram and that he had replied to it. He refused, however, to reveal the contents either of the message or his answer to it.

DRAFT SUMMONS NEGROES

(Special Service to Glendale Evening News)

WASHINGTON, June 5.—The draft board today summoned 40,000 negroes from the south and middle western states to entrain from June 20 to June 25.

RED CROSS OFFICIALS

HOLD BUSINESS SESSION AT THE HOME OF CHAIRMAN J. H. BRALY TUESDAY NIGHT

A business meeting of the Glendale Chapter of the American Red Cross was held at the home of J. H. Braly, 205 North Brand bouevard, Tuesday evening, June 4, 1918. Mr. Braly, chairman of the chapter, presided and Mrs. H. S. Duffield served as secretary. The minutes of the previous meeting were read and approved, after which A. L. Lawshe submitted his monthly report, which in substance was the same as published in Monday's issue of the Evening News.

The secretary read the resignation of Mrs. E. R. Blackburn, who has so efficiently served as cashier since the first of the year, but who on account of urgent home duties is forced to give up the work. The resignation of Mrs. Mabel Franklin Ocker as secretary was also read, ill health being the cause of her giving up her work. These resignations were accepted with regrets. On motion Miss Minnie Fink was elected to the position of cashier and Mrs. H. S. Duffield was elected secretary.

Vice-Chairman and Manager Lawshe stated that he is about to leave on an extended visit in the east and he was ready to tender his resignation as manager and have some one elected in his place or he would retain the position on condition that he be relieved from all work during his vacation months. Chairman Braly stated that he had appointed Olin Spencer to serve as acting manager during Mr. Lawshe's absence. The appointment of Mr. Spencer was forthwith confirmed by the Board of Directors.

Mrs. Lawrence Ellis informed the Board of Directors that Mrs. Jeannette Smith, who had so ably done the cutting of garments since the organization of the Chapter, was physically unable to continue the work by using the old method and she recommended that an electric cutting machine be purchased to be used by Mrs. Smith. A motion prevailed that such a machine be purchased.

Manager Lawshe explained that it would be very necessary to have a hostess committee one member of which would serve as hostess each day at the working department of headquarters. Mrs. Blackburn was appointed as chairman of this committee.

Mrs. Braly served dainty refreshments to those present.

A. T. Cowan, who had previously been appointed chairman of the resolutions committee, presented resolutions as follows, which were adopted:

Whereas, the Glendale Chapter of the American Red Cross which was organized in July, 1917, has been very active in all its departments and received during the recent War Fund drive a total in subscriptions of $15,072.58, this large donation being due to the perseverance of the committee in charge of the solicitation and the patriotic spirit of the citizens of Glendale, and

Whereas, all the supply departments of the chapter have been unusually diligent in furnishing and making up materials for the boys at the front and for the needy children of our allies, and

Whereas, this is near the close of the first year of the existence of the American Red Cross as an independent chapter in Glendale,

Resolved, that we express our gratitude to all who have assisted in this noble work and have helped to make the Glendale Chapter one of the best in the Pacific Division and the War Fund Drive such an unqualified success. Thanks are especially

(Continued on Page Four)

FREEHOLDERS CHARTER

City Clerk Sherer is of the opinion that voters of Glendale should be waked up to the importance of the election which will take place July 9th, at which freeholders to frame a city charter will be selected. Under the law, nominations for the fifteen freeholders should be filed with the City Clerk twenty days previous to the election, or June 18th. The preparation of a charter to be submitted to voters is a very important matter and the fifteen men who will be entrusted with it should be carefully selected. As a petition must be circulated for each nominee, the citizens who take the most active interest in the matter should bestir themselves.

BULLOCK'S BUSINESS GROWS

Bullock's Dairy is sporting a new truck. Their Glendale business has grown to such proportions that the old truck could not handle their deliveries here, so they purchased a Buick delivery truck fitted with a handsome top and neat signs.

THE SOLDIER BOYS

SIX HUNDRED MEN OF 143RD REGIMENT TO PASS THROUGH GLENDALE THIS EVENING

The 143rd Artillery Regiment from Camp Kearny, which has been in camp at Exposition Park, Los Angeles, for a week was at Universal City this forenoon the guests of the film company. The regiment, numbering 600 persons or more will leave Universal City at 2 o'clock this afternoon and proceed north through Lankershim and east through Burbank, Glendale and Eagle Rock and will go into camp for the night two miles west of Pasadena, near the eastern boundary of the City of Eagle Rock. The regiment will likely pass through Glendale between five and six o'clock this evening.

RED CROSS NOTES

War work pursues the even tenor of its ways in the workroom of the Glendale Red Cross Chapter. The surgical dressings department is devoting its energies to the manufacture of rolled bandages. Monday, June 3d, 99 five-yard rolls were made. Mrs. A. A. Burchfield was the instructor and the list of workers included Mesdames B. Mathiesen, M. E. Musser, Anna Jenkins, L. B. Munn, C. Farnham, C. L. Peckham, A. D. Switzer, W. M. Kimball, Frances McWilliams, Rosa E. Peck, W. F. Knox, C. N. Erling, E. E. Case, M. L. Bostwick, W. J. Masak, C. F. Robinson, C. C. Tucker, H. A. Black, L. D. Templer, Miss Mary Dalrymple, Mary E. Chester.

June 4th Mrs. Archie Parker was in charge and 64 five-yard rolls were made. Ladies who worked under her direction were Mrs. Gertrude Follansbee, Mesdames C. Houdyshel, H. C. Crockett, S. C. Steele, Robt. Milligan, E. S. Hedges, William R. Letton, C. L. Peckham, R. S. Durkee, C. B. Wilde, Meta Hearnshaw, Esther Brain, F. Seeley, M. L. Bostwick, C. C. Tucker, H. W. Walker, E. Quinch.

EPWORTH LEAGUE OFFICIALS

Last Sunday evening officers of the Epworth League of the Tropico Methodist Church were installed by Rev. B. C. Cory, who followed the ceremony with a most interesting sermon on the theme, "Is Methodism Dying Out?" The officers thus invested with their official responsibilities were:

Dr. P. O. Lucas, President.

Mrs. Chauncey K. Lake, First Vice-President.

Miss B. Gile, Second Vice-President.

Irma Wallace, Third Vice-President.

Albert Hewett, Fourth Vice-President.

Emily Kopp, Secretary.

Rutherford Wallace, Treasurer.

TRAIN CREWS TO WEAR KHAKI

The familiar blue uniforms of the passenger train crews will be a thing of the past after July 10. Commencing with that date each member of train crews will be obliged to dress in khaki—semi-military uniform, the same to be purchased and paid for by the crews.

PLANT CASTOR BEANS

AMERICAN RED CROSS BUREAU OF SALVAGE AND SHOP CIRCULAR LETTER NO. 1

942 Market St.
San Francisco,
May 16, 1918.

To All Chairmen of Committees on Salvage and Shop:

We quote the following from the monthly bulletin of the California Development Board for April, 1918:

"A special request has come from Captain H. L. Scaife of the U. S. Army Signal Corps for the planting of 10,000 acres of castor beans in California. Of this amount 6,000 acres have already been guaranteed.

"The oil produced from these beans is to be used for lubrication in the Aviation Corps, it being the only oil which will not congeal at high altitudes.

"Any acreage, large or small, will be accepted, and planting can be done as late as June 15th in favored localities. The seed is a Bombay variety and will be furnished at cost by the California Castor Bean Association at Santa Barbara or Sacramento. This bean can be planted on light sandy loams, particularly in river bottoms that can not be used to advantage for other crops. They are planted in hills like corn and the same cultural methods are appiled, the distance between these hills varying according to the soil and amount

GLENDALE, CALIFORNIA, WEDNESDAY, JUNE 5, 1918

THE FLAG—AND YOU

You fling out Old Glory; you sing her proud story;
Her history thrills you through and through.
In peace you marched near her, you bid people cheer her;
You're glad she stands guard over you.
But friend, in what manner do you serve the banner?
Is your part just plaudits and brag?
Do you see but beauty where others read duty?
How much have you put in your flag?

'Tis not her star cluster, 'tis not her stripes' luster
That gives her sublimnity.
Our banner is human; strong men and brave women
Are wrought in the flag of the free.
'Tis the service they render that causes their splendor—
Without them Old Glory's a rag.
She calls—foes assail her. Will you help—or fail her?
How much will you give to your flag?

—Daniel Henderson.

ON WATCH FOR DISLOYALTY AMONG NATURALIZED CITIZENS

The Department of Justice authorizes the following:

The Attorney General has instructed all United States attorneys to bring to his attention immediately all cases of naturalized citizens, whether or not of German origin, who have evidenced such disloyalty to the United States as would justify the commencement of denaturalization proceedings against them. In each case so reported the district attorneys are instructed to furnish a summary of the facts which can be established on the trial.

Recently the United States Attorney for the district of New Jersey brought a proceeding for denaturalization against Frederick W. Wusterbarth, a naturalized German native. The proceeding was based upon the ground that the defendant's final papers had been secured by fraud, consisting of a secret reservation of allegiance to Germany at the time Wusterbarth formally made oath of unqualified allegiance to the United States. The evidence from which such a reservation might be inferred consisted of disloyal statements made since the declaration of war. Judge Haight, of the district court, ordered the cancellation of Wusterbarth's naturalization papers.

Two similar cases recently arose in the western district of Washington. In the first, which apparently involves the same legal proposition as the New Jersey case, United States District Judge Cushman denied a motion to dismiss the proceedings. In the second Washington case a German who served with the German army from 1902 to 1904 and was naturalized in 1911 has had his certificate of naturalization cancelled.

The decisions of the District Courts are considered of immediate importance by the Attorney General because of the far-reaching effect which such decisions should have in discouraging disloyalty on the part of all naturalized citizens. It is the intention of the Attorney General to institute similar proceedings without delay in all cases where the facts appear to warrant such action.

OUR WOMEN DOING THEIR BIT

As a result of the knitting, knitting that is being done everywhere by the women-folk of this country, an added valuation of $35,000,000 has been placed upon the materials and garments which have been shipped abroad by the United States. Are not the women of this country doing their bit most nobly? In sacrificing their husbands, sons, fathers and brothers, they not only send them away with a smile, but they encourage them with letters and gifts and do their utmost to make them comfortable with the knitted garments that are constantly being sent to them. Can they, as mothers, or sisters, or wives, do more?

GERMANY RESPONSIBLE? NEVER

If Swiss relief ships are sunk, President Wilson will be to blame; the German foreign office says so.

"Should any German war vessel sink one of the American ships carrying grain to Switzerland, the responsibility will not fall on the German government, but on the President of the United States," is one of the latest, official, pronouncements of the German foreign office.

Of course!

Germany is responsible for none of the horrors of this war.

If the Belgian aged and children are starving, they are responsible—because they are Belgians.

If Louvain was sacked and its priceless library was destroyed, the priests and professors who established and maintained it for 500 years were responsible—for thinking that such an institution had a right to exist—outside of Germany.

If the women of France and Belgium mourn their daughters, murdered or deported to Germany, they are responsible for their own grief—for having bred children.

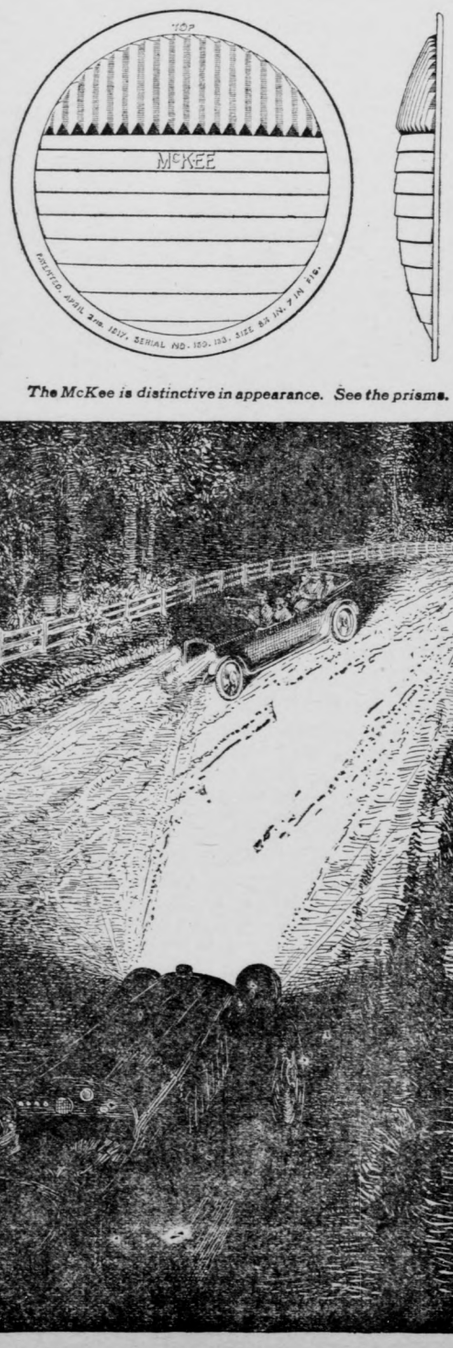
If the homes of Belgium and Northern France have been looted; if paintings, the jewels of women, the clothes from their backs, the money from the banks and the food from the mouths of the hungry have been taken; if the land itself has been destroyed, the vineyards and orchards cut down, the people of Belgium and France are responsible—because they are English or French.

Pile up the horrors, they are all the same. There have been outrages and atrocities—that is admitted. But all have been outrages committed against Germany; none by Germany. Germany says so. Germany pleads "not guilty."

But so has pleaded every one who has stood trial in this land whether he was charged with chicken stealing, burglary or murder—Since our courts were established. Our gallows have been raised and our penitentiaries are maintained for the punishment of people who plead "not guilty."

Thirty thousand cans of jam were sent overseas in one Y. M. C. A. shipment for American soldiers over there. There were 412,000 packages of biscuits also, a necessary adjunct.

One hundred and fifty tons of chocolate, 100 tons of cocoa and 175 tons of condensed milk were purchased by the Y. M. C. A. for American soldiers overseas.



The McKee is distinctive in appearance. See the prisms.

Danger Lurks at the Roadside Every Time You Pass a Car

You need the bright side-light of the McKee to guide you safely.

There's the edge of the road, the ditch, the bank—all showing up clearly in the bright side-light of the McKee Standard Lens. You don't guess where the ditch is—you know. The side-light is *always* bright for you don't use dimmers with the McKee—the lens that keeps within the law by keeping the light *down* on the road where you need it.

McKee Standard LENS

You know the dangers of night driving, especially on strange roads. Why then use a device that must reduce the strength of the light in order to be legal? You need *all* the light you can get—*all* of the time. And you get it in the all-glass, crystal-clear McKee Lens—the only lens with a concave-convex shape. Its intense road-beam searches the road for 600 feet ahead.

PRICES

If your dealer cannot supply you, send price, size of lens and model of car direct to us.

SOMETHING GOOD AT PALACE GRAND

Messrs. Jensen of the Palace Grand Theatre have been providing their patrons with pictures of great historic value, which have not always been patronized as they would have been had the community realized what an opportunity was given them.

As an example, last Monday evening "The Black Monk" was shown, being the pictured history of the baleful machinations of Rasputin, who was the great contributing cause of the collapse of Russia. It is a wonderful story showing the tremendous power of a strong, dominating personality, under the inspiration of a corrupt soul. His rise from obscurity to the office of chief adviser of the Czar is vividly portrayed and his death when it was too late to undo the evil he brought upon Russia. Every man, woman and child in Glendale should have had some inkling of who Rasputin was and have been sufficiently interested to have witnessed this wonderful portrayal which has been presented to crowded houses for weeks and months elsewhere. But only a handful of people came out to see it.

Next Monday the Palace Grand will feature "The Legion of Death," being the story of the women of Russia who enlisted as soldiers to save their country if possible and spur the men of Russia to patriotism. It should be a stirring spectacle and of genuine historic interest. It remains to be seen whether Glendale people will appreciate this opportunity.

Later in the week the Jensens will present "The Kaiser, the Beast of Berlin," which is another great picture that has had an immense run in eastern cities and which will be shown for two days. It features the life of the Kaiser up to the time the war broke out.

HAD FULL MOON IN MIND

"Does the moon remind you of anything?" he asked, sentimentally, thinking of their courtship days.

"Yes," said his wife.

"What?" he asked.

"You," she said, "on lodge nights."

Personals

Mrs. Flora Seymour of 509 Columbus avenue spent Tuesday with Mrs. Pennyman at 207 Blanche avenue.

At the adjourned meeting of the City Trustees held Tuesday evening, no business was considered except the auditing of the payroll.

Mrs. Eustace B. Moore of Blanche avenue is spending the day in Pasadena attending commencement exercises at the Nazarine University.

C. C. Horton, the shoe merchant, has been confined to his home for about ten days by Japanese influenza, but is now on the road to recovery.

The harmony classes of the Glendale Union High School will give recitals in the auditorium at 11 o'clock Friday forenoon. Friends are invited.

Mrs. William Chappell, who recently went to the Glendale Sanitarium for an operation upon her tonsils, is now at home and recuperating nicely.

Mr. and Mrs. A. R. Goodale and two daughters, Mona and Beryl, of 210 Blanche avenue, will leave Sunday for South Dakota to visit the parents of Mrs. Goodale.

The Colorado boulevard P.-T. A. will meet Thursday afternoon, June 6, at 3:15 at the school building. Installation of officers and a short program by the sixth grade pupils. You are invited to attend.

Mrs. W. D. McRae of 1545 Myrtle street is having the pleasure of entertaining her mother, Mrs. E. N. Bates, and her sister, Miss Flora Bates, from Lynnhaven, Florida. They will make an extended visit in Southern Salifornia.

Mrs. J. E. Olivas will go north the latter part of the week to say goodbye to her husband, who is in the Field Artillery at Camp Lewis and who expects to be sent to the front in the near future. He was formerly in the employ of the city.

R. G. Muhleman of the Glendale Post Office stated yesterday that he expected to be called upon to register alien German and Austrian women resident in this district, beginning June 17th and continuing for ten days. He has not yet received official orders, but that was his understanding, as all women aliens of those nationalities will be required by the government to register.

Olin Spencer of this city has been saddened by news of the death of Mrs. Annie C. True at Fargo, North Dakota. She was seventy-nine years of age and had counted as a distinction the fact that she had taught General Pershing when he was a boy of seventeen attending the public school of Laclede, Missouri. Mr. Spencer was also her pupil at that time and a chum of General Pershing.

Mr. and Mrs. Aykroid, who own the building at 1019 Broadway, and who have been sojourning in Los Angeles, are returning to Glendale to occupy one of the apartments in the building mentioned. Mr. Aykroid, who has been in the contracting business for years in Los Angeles and Glendale, will use the store as an office and transfer his business headquarters to this city and will specialize on fine residences here and in the San Fernando Valley.

A party of Glendale young people which included Miss Lefa Siple, Frances Peckham, Mr. Salmacia, Gladys Peckham and several boys and girls from Los Angeles, made the trip to Camp Sturtevant last Wednesday, where they spent the week end, arriving home somewhat exhausted by the return trip, as they lost their way and had about twenty miles of extra travel. It has not clouded their pleasure in the trip, however, as they all had a good time and want to go again.

A hearty invitation is hereby extended to all who ever lived in Connecticut or Rhode Island to attend the annual summer picnic reunion in Sycamore Grove Park, Los Angeles, Saturday afternoon, June 15th. Basket dinners will be eaten at six o'clock so the men can go out after office hours. County registers will be on hand, hot coffee will be supplied, but bring dinner cup and spoon. There will be a brief informal program, but the time will be given mainly to a jolly talkfest of the people themselves.

A representative of the Pasadena Red Cross Chapter was in Glendale Tuesday to confer with officials of the Glendale public schools and of the Red Cross Chapter in regard to co-operation in the great garden party to be given at Busch Gardens in Pasadena Saturday afternoon, June 15th, at which Madame Schumann-Heink is to sing with a chorus of 5000 children. The Marine Band will play and there will be a program of high-class specialties in the way of dancing, folk songs, etc., and the management is hoping that 1000 children from Glendale will take part in the chorus. It is a Red Cross benefit and Mrs. Albert Sherman Hoyt is in charge.

Miss Dransfield and Miss Mildred Dransfield, daughters of William Dransfield of 127 Glendale avenue, Tropico district, are quite ill of Japanese influenza.

Mr. and Mrs. Will Dunham of Blanche avenue have both been quite ill. Mr. Dunham is now able to be out, but Mrs. Dunham is still confined to her home by acute rheumatic trouble.

Corporal George Grist has so far recovered from the operation he recently underwent at the Burbank hospital that he was able to return to Company 9 of the Coast Artillery at Reservation Point, San Pedro, this morning.

Mr. and Mrs. Putney, after spending the winter at 215 Blanche avenue, have gone back to their home in Los Angeles. The house they have vacated will be occupied by William Morgan and family, who have been conducting a jitney business in this city.

Earl Wilde of 1554 Penn street, this city, and his associate in the Wilde-Knight Band, who have been pronounced by some critics the finest evangelist singers in the United States, are now conducting services at the Nazarine Mission on East Fifth street, Los Angeles.

Mrs. George M. Harrison and her two little boys, who formerly resided in Glendale but who are now living in Long Beach, spent last week with William Henry Harrison of 1557 Myrtle avenue, the grandfather of the boys. Since their return to the beach city the children have been quite ill of measles.

Mrs. A. P. Findlay of 700 North Central avenue will be hostess at the regular meeting of the Red Cross Auxiliary of the Tuesday Afternoon club Thursday, June 6th. An abundance of sewing materials is promised and it is expected that much will be accomplished between the hours of 10 a. m. and 3:30 p. m. All members are urged to be present.

Mrs. A. H. Fink and daughter Marjorie, of Newman, California, are guests in the home of Mr. and Mrs. Jacob Fink of 218 South Maryland avenue, this city. Their son, A. H. Fink, is station agent at Newman and could not get away to accompany his wife and daughter. Mrs. Fink will remain about ten days and Marjorie will spend the summer in Glendale with her grandparents.

The June Division of the Ladies' Aid Society of the First Methodist Church of Glendale will give a concert June 6th, at 8 p. m., in the church auditorium. An excellent program of music has been provided and Miss Ada Marie Cheever of Boston, a reader of considerable renown, will contribute several numbers. The public is cordially invited. A silver offering will be taken.

E. W. Culver, who for the past six years has been head chef at the Glendale Sanitarium, has been transferred to a similar institution in Washington, D. C., which is maintained there by the Adventists, and will leave with his wife in the course of the next fortnight for the Atlantic coast. The Culvers have relatives in New Jersey and Pennsylvania and to them it will be going "back home."

Mr. and Mrs. W. B. Kelly, who formerly resided at 927 Randolph street and who leased their home about a year ago to go to San Antonio, Texas, have returned to Southern California for the summer months and were dinner guests last Saturday of Mr. and Mrs. Harry Duffield of Lomita avenue, accompanying them to the Cranford Musicale. They have taken an apartment in Los Angeles.

Mrs. Charles Grist had as her guest last week, Mrs. E. D. Young of Phoenix, Arizona, who came to the coast to say good-bye to her son, Albert G. Wheelon, who was in the U. S. Army at San Pedro. He was with the anti-aircraft forces at Fort MacArthur which have recently been sent forward. Private Wheelon has been a frequent visitor in Glendale and has many friends here. Mrs. Young also has two other sons in service, one with an ambulance corps at San Francisco, another in France.

Little sister Sue, the baby daughter of Mr. and Mrs. Eustace B. Moore, is disconsolate because she has lost her pretty knitted silk bonnet which she inherited from her brother Benton. She threw it out of her buggy as babes will do, in front of the Keller School of Dancing at Brand and Laurel street. Rev. O. P. Rider passed that way soon after, found the bonnet and hung it in an adjacent tree. When the news reached the Moore household they communicated with Mrs. Keller, who discovered the tree and one of the pink silk strings of the bonnet, but no bonnet. Any one who has found the treasured article of baby headgear will be doing a great kindness by communicating with Mrs. Moore.

HUT AT ARCADIA

Charles W. Stewart, who has been appointed Y. M. C. A. secretary for the new balloon school camp at Arcadia, yesterday announced that the National Council has authorized the appropriation of $6500 for a Y. M. C. A. "hut" at the Arcadia camp, capable of seating a thousand soldiers in the auditorium and providing writing space for more than six hundred.

PLANT CASTOR BEANS

(Continued from Page 1)

of water available for irrigation. It takes between four and five months to mature the crop, which must be harvested before danger from frost. Aiding the Government in this way will be quite as helpful as buying Thrift Stamps and Liberty Bonds, because it will be a duty especially performed at the request of Uncle Sam.

"Communications addressed to H. S. Gane, President of the California Castor Bean Association, at Santa Barbara, or W. A. Beard, Managing Director of the Sacramento Valley Development Association, Sacramento, representing this association in Northern California, will bring definite and detailed information regarding planting, cultivation, harvesting, etc."

In view of the assured market for Castor Beans, we urge upon the Committee on Salvage and Shop at each Chapter, the importance of having as large an acreage planted this year as possible. We mean by this that Castor Beans can be grown in the gardens, in the back yards, or along the roads and irrigation ditches and such small plantings will add very materially to the crop grown on the farms as commercial enterprises.

They can be raised in this way by the members of the Junior Red Cross and by the community at large. When ripe, they should be thrashed and presented to the Department of Salvage and Shop at the Chapter to be sold for the benefit of the Chapter. The Committee on Salvage and Shop should obtain information from this Bureau as to the best method of marketing so that the local Chapter may receive the highest price for its product.

We can not say yet what this price will be, but we are assured it will not be less than 7 cents per pound delivered at Santa Barbara or Sacramento, California.

Yours very truly,

A. T. DE FOREST,

Director Bureau of Salvage and Shop.

Approved:

MARSHAL HALE, Mgr.

In response to the above letter many of the children of the grammar grades are buying this Bombay variety of castor bean this week for planting in available back-yard spaces and for ornamental hedges.

These seeds are distributed through the principals at each school, a penny buying seven beans—enough for two "hills" or a row of 7, 3 or 4 feet apart. This is the cost price, 60 cents per pound, from one of our local dealers.

Encourage the children in this worthy enterprise and at the same time help to improve the general appearance of your neighborhood.

HELEN WHITE,

Supervisor of Agriculture.

MATINEE PARTY

The members of the Philanthropic Section of the Tuesday Afternoon club enjoyed a respite from their strenuous labors of the past season Wednesday afternoon, when four members of the section were hostesses at a matinee party at the Palace Grand.

Mrs. Warren Q. Roberts, curator of the section, conceived the idea of dividing her members into groups of four, instilling a friendly rivalry as to which group could do the most work. The enormous amount of work done by the section, including the making of 24 quilts, is proof that Mrs. Roberts' plan worked well, and the theatre party is the reward of those who accomplished the most.

The guests of the afternoon are Mesdames Roberts, C. S. Archer, E. R. Naudain, J. P. Shropshire, L. W. Sinclair, G. W. Scott, A. K. Crawford, H. H. Martin, A. D. McCoy, C. E. Hutton, R. M. Brown, F. J. Kuntzner, C. W. Burket, Llewellyn Andrews, R. P. Isitt, W. H. Ward, J. W. Stauffacher and G. B. Woodberry. Mrs. Martha Morris, beloved by all the club members, has always been considered an honorary member of the Philanthropic Section and was a special guest at the matinee party.

BENEFIT CARD PARTIES

Benefit card parties given by the P.-T. A. of the Columbus avenue school at the home of the vice-president, Mrs. C. W. Houston of 1540 Myrtle street, Tuesday afternoon and evening, were very pleasant affairs and highly satisfactory from the standpoint of financial returns. The tables for Five Hundred were well patronized. The benefit was given to defray the cost of a set of "World Books" purchased for the school by the association and to take care of some other expenditures made for the benefit of the school which could not be properly assumed by the Board of Education. Patriotic colors featured the floral decorations for the function, and punch was served during the afternoon and evening.

NEW CITY DIRECTORY

Introductory work has been commenced in the office of the Evening News on the new city directory for Glendale, which will be compiled as soon as the streets are given new names and new numbers. 232t4

ANNOUNCEMENT

The Glendale Sanitarium take pleasure in announcing that their dining room is now conducted on the European plan and is open to the public, especially to those who appreciate a good, clean, wholesome, vegetarian diet at very moderate prices.

Special Sunday Dinner Every Sunday

TABLES MAY BE RESERVED

Breakfast, 8:00 to 9:00 a. m.
Dinner, 1:00 to 2:00 p. m.
Supper, 6:00 to 7:00 p. m.

Send Your Linen to the Laundry

"While the cost of all the articles used by the laundry has increased enormously, in many instances over 200 per cent, yet it is a fact beyond dispute that the power laundries are in a position to do family washing much cheaper and more economically than it can be done by the housewife. If you do not believe this and want to be convinced, pick up the telephone, call your nearest power laundry and ask what they will do the work for. Compare the figures they will give you with what it would cost for the services of a laundress, her meals, carfare, fuel, gas, soap, blueing, starch, etc., and you will find that the price quoted by the power laundry is much less. Besides, the entire family is saved the awful annoyance of a house filled with the odors of steam and soap as a result of a 'wash day at home.'"—Chicago Laundry Journal.

ARTILLERY ACTIVITY IN METZ

MAY INDICATE AN OFFENSIVE IN LORRAINE TO COMPEL AMERICANS TO WITHDRAW FROM MARNE

(Special Service to Glendale Evening News)

WITH THE AMERICANS IN LORRAINE, June 5.—Artillery is in action in Metz today and many troops are moving to that section. It is reported that Austrian troops are arriving in Metz from the neighborhood of the Rhine. Aeroplanes are numerous. The artillering may indicate an offensive to force the withdrawal of American forces from the Marne front.

MANUEL JOSEPH OF WEST OAKLAND AMONG FORTY-SEVEN SEVERELY WOUNDED IN BATTLE

(Special Service to Glendale Evening News)

WASHINGTON, June 5.—Today's casualty list includes 39 killed in action, six deaths from disease, three deaths from accident; two missing, 47 severely wounded, including Manuel Joseph of West Oakland, Cal.

ENEMY STILL POUNDS MARNE DEFENSES

(Special Service to Glendale Evening News)

PARIS, June 5.—The Germans continue to pound the allied defenses on the west part of the Marne battle front, which the allies are holding at all points. A violent attack at Chezy was bloodily repelled. Artillering is active only on the south and east part of the front. Several towns in that section have repeatedly changed hands. The French attack with tanks north of Corcy enabled the French to rectify their lines.

SCHUMANN-HEINK DELAYS TRIP TO FRANCE

(Special Service to Glendale Evening News)

LOS ANGELES, June 5.—Instead of leaving the latter part of June, Madame Schumann-Heink will leave for France late in July or early in August, she stated today. She made it plain that it is not fear nor a nervous breakdown nor a want of desire to serve that delays her. Madame's tenth grandchild will enter the world in a few weeks and she feels that she must remain with her daughter-in-law before assuming the duties of mother to the army and navy.

L. A. STREET CARS COLLIDE

(Special Service to Glendale Evening News)

LOS ANGELES, June 5.—Eighty persons narrowly escaped injury early today when two street cars collided at First and Broadway. No one in either car was injured, although one of the cars jumped the track and telescoped the other.

DESAUSS IS SAFE

(Special Service to Glendale Evening News)

LEWES, Delaware, June 5.—The steamer Desauss was discovered this morning with full steam up off the Delaware Capes. It had been reported that the vessel was torpeodoed.

RELEASE WEDNESDAY, JUNE 5TH

TWO MINUTES WITH UNCLE HEN
(By Albert Marple)

Skin and Bones

***I heard a good one on Ted Warren the other day—in fact—
***It's such a pippin I'm going to pass it on to you—you—
***Know Ted has lived up in our corner of the country ever—
***Since he first saw the break of day and everybody for a—

***Hundred miles around knows him by his first name—Ted—
***Is one of those long lean and lengthy fellows of the—
***Human shoe string variety—one of those six feet skyscra—
***Pers that you sometimes hear about and he often boasts—

***That he tips the beam at 101 pounds in nothing but his garters—
***But every person who ever met Ted seemed to doubt the asser—
***Tion—well when Uncle Sam decided to muzzle the brute over—
***Across the pond Ted was the first fellow from our section—

***To get in line for the journey eastward how he succeeded—
***In bribing the judges no one ever knew but the next day—
***The news went the rounds that he was soon to leave for one—
***Of the army cantonments somewhere in America—we gave him—

***A great sendoff and it was pathetic to see him double up like—
***A jackknife so that sweet little Matilda might spill a few—
***Dewdrops on his manly shoulder—Ted has now been doing the—
***Tramp tramp tramp stunt for several months and the other day—

***I decided to go up and visit him when I landed at the—
***Cantonment I secured permission to go in I found Ted's—
***Company all right but I couldn't locate our soldier boy—
***So I asked one of the fellows who was not on guard duty—

***Say mister can you tell me where I can find Private Ted—
***Warren of Fairburg and he said I'll get him for you so he—
***Went around shouting Tuesday Tuesday Tuesday all over the—
***Lot and by and by Ted came running up his long arms dangling—

***In the breeze—Tuesday's a nick-name they have for me—
***Up here he said and right then he changed the subject—
***We had a good long visit in which I told him all about—
***The home folks and he blushed to his ears when I said—

***That Matilda was sure being true to him and that she was a—
***Sweetheart worth having—just as the sun was setting Ted was—
***Called to take his turn at playing guard so he had to leave—
***Me and shoulder his gun—I couldn't get that nickname—

***Tuesday out of my head so to set my hind at ease I went—
***Up to one of the yellow-jackets and said tell me mister—
***Why do they call my friend Tuesday—I thot the fellow would—
***Die of mirth but when he came to he managed to sputter—

***Don't you know—because Tuesday is meatless day—now ain't—
***That a good one on Ted—

Goodbye 'till next time—Hen

THAT LUMP IN YOUR THROAT

It comes when you chance to be near
His pipe or the chair where he sat,
It comes with a hope or a fear—
There's nothing unmanly in that.

It comes with your letters from France,
The stories of courage untamed,
It comes when a name meets your glance—
That's nothing to make you ashamed.

It comes when you think of the Hun,
Of how he has murdered and lied,
It comes when you yearn for a gun—
There's nothing in that you need hide.

'Tis wrong such emotions to check
As on through our trials we jog,
But if it is sugar, by heck,
You're simply a slacker and hog.

—McLandburgh Wilson.

THE SOUTHERN OIL FIELD

"The month of May started off under record-breaking circumstances with more wells drilling and more wells producing than ever before," says the Whittier News. "The month closes with the record so good that operations will have to be kept up to a very high standard to prevent the month going down in the annals of the southern oil district as the greatest period of the year. It seemed that early in the month the oil operators struck a patriotic keynote and put forth every effort to drill every well possible and to make every well in the field produce as much oil as possible. That spirit promises to be maintained. May closes with 102 wells drilling, 720 wells producing and the daily production better than 60,000 barrels.

LIFE'S A TOUGH PROPOSITION

"What are you sighing for, Bobbie?"

"I was just thinkin' of the good old days before the war when yuh used to gimme a nickel once in a while!"—Judge.

ORANGE FAMINE IN PROSPECT

"If orange growers continue to ship their Valencias at the present rate there will be an orange famine in the United States by September," predicts Rev. Marshall A. Hayes, a well-known orange grower of the Lamanda Park section, as recorded in the Whittier News.

"The Valencia crops," he continued, "are proving smaller than was estimated. It now is estimated that there are not over 4500 cars of Valencias in the country, and as they are being shipped from all orange growing points of the country at the rate of 70 cars a day, there will be practically no oranges on the market during the months of September, October and November, if shipping continues at the present rate."

Mr. Hayes advises orange growers to hold their crops until the fall when, he estimates, prices will reach $10 and $12 a box. Prices now range from $7 to $8 a box. Mr. Hayes has not shipped any of his Valencias and will hold them until the predicted "famine."

An average taken by the Sierra Madre-Lamanda Park Citrus Association of the prices received by the growers of seedling oranges after the last box was shipped from the district shows that $4.06 a box was received. The usual average price for this variety of the fruit is 60 cents a box. One rancher has two seedling trees which in previous years he never picked. This year, from the two trees the seedlings brought him $49.50.

TO HOUSE HELP

To secure additional accommodation for the help to be employed for the apricot pack, a contract has been let for building two more tenement houses for the Vanomar Producers at its Van Nuys cannery. The buildings will contain forty compartments. They will be rushed to completion, in order to provide for the help at the opening of the apricot pack, which will start about July 1st.

RED CROSS OFFICIALS

(Continued from Page 1)

due our chairman, John Hyde Braly, for his assistance in securing a charter for Glendale, for his continued support and wise counsels, his substantial subscriptions to the cause and his kindly hospitality with Mrs. Braly in throwing open their home for meetings of the Chapter officials.

Resolved, that we try in a measure to express the deep gratitude we feel to A. L. Lawshe for having given all of his time for many months to the work of the chapter as general manager, for the unusual executive and clerical ability he brought to the work, for his masterly management of the business affairs of the Chapter, for his entire and whole-hearted devotion to the cause and for especial efforts as campaign manager in the Liberty Loan and Red Cross War Fund drives.

Resolved, that we heartily thank Mrs. Bellew for her untiring work in the manager's office, where she installed a card record of the patriotic activities of the people of Glendale and gave her time and her trained business ability cheerfully and without stint.

Resolved, that we give expression to our deep appreciation of the services of Mrs. E. R. Blackburn, cashier, for her loyal devotion to her duties, which have been varied and exacting for many months.

Resolved, that we express our gratitude to Mr. and Mrs J. G. Hunchberger, who had charge of the lunches that were such a source of revenue during Red Cross week, and to Thomas D. Ogg, who arranged for the inspiring speakers at those meetings.

Resolved, that we give thanks to the vice-chairmen of the War Fund drive, F. H. Vesper, J. G. Hunchberger, Mrs. John Robert White, Mrs. B. D. Snudden and E. K. Barnes, and to the team captains, Mrs. Ezra Parker, Mrs. F. W. Chambers, Mrs. C. E. Harlan, Walter N. Stamps, Mrs. Lillian E. Dow, George U. Moyse, R. L. Kent, Mrs. E. K. Barnes, Mrs. E. U. Emery, Mrs. W. W. Ramsay, Mrs. G. F. Sawyer, Mrs. H. E. Bartlett, Mrs. R. W. Meeker, R. D. White, Mrs. Porter Case, Mrs. H. W. Yarick, George H. Bentley, Miss Mabel G. Smith, L. W. Bosserman, George T. Paine, Mrs. H. S. Duffield, Arthur Mason, C. D. Thom, and to the solicitors who did such splendid work in the drive, as well as Miss Neva Veysey, who assisted so acceptably in copying and addressing.

Resolved, that we endeavor in some measure to express our appreciation of the splendid work of the department heads of the Chapter, who have been so faithful and loyal to the work of the Glendale Chapter and to the cause, F. H. Vesper, treasurer, for his careful supervision of the finances of the Chapter; Mrs. Mabel Franklin Ocker, secretary and membership chairman, for her interest in her work; Dr. Henry R. Harrower, for his wisdom in conducting entertainments for the financial benefit of the Chapter; Mrs. H. E. Bartlett for her superior ability as a purchasing agent; Mrs. Lawrence Ellis for the successful management of the department of hospital garments; Mrs. Ezra Parker for her skilled leadership in the knitting department; Miss Coral Griffith for her untiring efforts in supervising the department of comfort bags and aviators' vests; Mrs. H. E. Betz for so earnestly devoting her time to supervising the children in making ambulance pillows; Mrs. Eva Tuft for her ability as instructor in the department of surgical supplies; Mrs. H. D. Thaxter for work done in connection with nurses' training classes; Dr. R. E. Chase for his capable instruction of First Aid classes; Mrs. Arthur C. Brown for much needed work done in Home Service and Civilian Relief; Miss Douglas for her industrious perseverance in the Salvage department and the Red Cross Shop, and Mrs. Jack Boettner, her successor, for her earnest efforts in raising money for the cause; Mrs. A. S. Chase for her careful attention to assorting and packing supplies for shipment; Mrs. John Robert White for her efforts in raising funds for the Red Cross; A. M. Beamon for time spent for the good of the Chapter; Mrs. J. Glenwood Jones for her artistic ability in decorating rooms for Red Cross entertainments; Dr. C. Irving Mills and Ezra Parker, directors, for their punctual attendance at executive meetings and for their wise counsels; Richardson D. White for his successful supervision of the Red Cross work in the schools; Mrs. Harry Duffield for contributions made through the sale of tinfoil, and Mrs. Ben Nichols and her successor, Mrs. H. V. Brown, chairman of conservation garments, for their splendid work in supervising that department; and Mrs. Jeannette Smith for her wonderfully efficient and untiring services as cutter in the hospital garment department.

Resolved, that our thanks are due Mrs. George Carter who so many weeks managed the knitting department so successfully and gave up the work when she moved elsewhere; to Mrs. W. E. Evans, who until illness intervened was the capable head of the hospital garments section, and Mrs. C. E. Hutchinson, who was forced to give up her splendid work as supervisor of the nurses' training classes.

Resolved, that thanks be extended to Joseph Engert, owner of the building in which Red Cross headquarters are located, Mr. Engert donating the use of the rooms free of charge, also to the owners of the building in which the Red Cross Shop is located.

DESTINATION UNCERTAIN

"Our gunners got the range at last and dropped a shell right in among 'em; when I looked again they was gone!"

"For good?"

"Well, Miss, they went in that direction."—Passing Show.

WHAT ABOUT YOUR NEIGHBOR?

IS YOUR NEIGHBOR a subscriber for the Evening News? If he is not, why not advise him to subscribe for it? One thousand Glendale people are now receiving it regularly and five thousand people are reading it daily. It is the recognized medium of publicity in the city. It is in the Evening News that important municipal, social, educational and religious announcements are published.

The Evening News is the local paper in which general information of the doings in the community is published. Please ask your neighbor to subscribe for it.

ZELZAH BEANS

At a special meeting of the bean growers in the Zelzah section, held in the school house on Wednesday night, it was decided to accept a proposition made by the Ennis-Brown company of Sacramento, to erect and operate a warehouse and bean cleaner in Zelzah.

Men are going into the field at once to solicit acreage for the Zelzah cleaner, and they have fixed their goal at the 5000-acre mark.—Zelzah Tribune.

L. A. WATER FOR ORANGE COVE

The Los Angeles Board of Public Service Commissioners has taken over the control and operation of the Orange Cove water system, located at Roscoe. This system, which was formerly supplied by wells and pumping plants, will be supplied hereafter with water from the Los Angeles aqueduct. The lands irrigated by it are mainly in vineyards and citrus fruit trees.—San Fernando Press.

KIDS

Willie and Jack are two youngsters who are pugilistically inclined. The other day the following conversation took place between them:

"Aw," said Willie, "you're afraid to fight; that's all it is."

"Naw, I'm not," protested Jack, "but if I fight, my ma'll find it out and lick me."

"How'll she find it out, eh?"

"She'll see the doctor goin' to your house."—Harper's Magazine.

A TREMBLING AFFAIR

"Darling," he commenced, with much agitation, "something has been trembling on my lips for over a month."

"Why don't you shave it off?" the jesting thing wanted to know.

A POSSIBLE REASON

"I wonder what on earth makes the baby cry so much?" ruefully exclaimed Mrs. Gap Johnson, of Rumpus Ridge, Ark. "He just screeches and yells for hours at a time, over nothing a-tall, it 'pears like."

"Aw, I wouldn't let that pester me," replied her husband. "I reckon it's just the little feller's way of cussing his luck."—Tom P. Morgan.

HE HAD IT COMING

Magistrate—"I seem to know your face, prisoner!"

Culprit—"Yes, your worship, I used to teach your good lady voice production."

Magistrate—"Thirty years."—Snark's Annual.

THE REST IS PLAIN

"I had a dreadful dream last night."

"Tell me about it."

"Sally was talking to me so sweetly; I hung on to every word, and then—"

"Yes, yes, and then?"

"Her voice broke."—Judge.
